

lunch & learn

Join Smirthwaite's new Lunch & Learn sessions for OTs to explore pediatric solutions and enhance your skills. Enjoy informative events with hands-on product experience and the opportunity to ask questions, all while having a complimentary lunch.

Smirthwaite is committed to empowering therapists with free educational courses to help children with additional needs reach their full potential.

These sessions are perfect for anyone looking to:

-  Discover new ways to utilise our bespoke equipment.
-  Enhance your understanding of product features and benefits.
-  Connect with our paediatric experts and get personalised advice.
-  Network with other professionals in a relaxed setting.
