

The Right Fit, Every Time: FREE Product Demonstrations

Enhancing Independence and Quality of Life

Choosing specialist paediatric equipment is a critical decision. You need confidence that the product meets the child's precise clinical needs, fits their environment, and works for the entire care team.

That's why Smirthwaite offers FREE, no-obligation product demonstrations and assessments carried out by our dedicated Technical Product Advisors. We bring our expertise and equipment directly to you, ensuring the perfect solution.

Why choose a FREE Smirthwaite demonstration?

- **Clinical Confidence:** Get expert advice on positioning and support to meet the child's specific clinical goals.
- **Try Before You Buy:** Experience the equipment firsthand - ensure it's practical, comfortable, and easy for use.
- **Peace of Mind:** We ensure the chosen product will integrate seamlessly into the home, school, or clinic environment.
